Exclusive Agency Owner

I would like to thank you for all your help. SAMM Consulting made the process easy for me. I tried for over 2 years to sell our agency. SAMM Consulting was able to find me buyers who were serious about purchasing my agency. The entire staff was great throughout the entire process. I recommend you to any seller! You assisted with the buyer, the bank and our Field Sales Leaders to make sure everything was approved. I have been an agent for over 16 years and I gladly refer SAMM CONSULTING to any sellers for the sale of their business.

Thank You Again Mel and Team,

**Bill**
