I am a new agency owner that worked with SAMM Consulting on the purchase. SAMM Consulting's staff was involved every step of the way. There were times when Nicole and/or the team would take care of something on my behalf to assist me when I was not even aware. I wasn't as knowledgeable as I thought about some of the process, but they would step right in and were able to keep me on track with my closing. The reply from SAMM was always sure, no problem or is there anything else we can assist with.

It was a pleasure to have them on my team during this process.

I will recommend SAMM Consulting to anyone interested in selling or purchasing an agency.

Sincerely,

T. Deonne Ford
