Mr. Mel Clemmons
SAMM Consutling

Hi Mel,

I wanted to send you a letter to thank you for assisting me with the sale of my Allstate agency. Like most people, I was hesitant at first to hire a broker because of the fees. However, you were able to get me the price I wanted and made the selling process very smooth and easy. Not only did you make it easy on me, I know that you helped the buyer secure financing as well. Your experience and expertise really made me breathe easy through the whole process. I would highly recommend your services to anyone I know who is buying or selling an agency. Feel free to use me as a referral for any future business prospects.

Thanks again,
