

Samm Consulting worked with me for almost 1 year until the right opportunity was available. When that opportunity was presented, every situation was explained and all questions were answered. They did a great job of making me feel comfortable during what can be a stressful situation. If you are looking to buy an agency, please make sure you call them first. The experience and knowledge they offered made the difference in my purchase experience. When I have the opportunity to purchase again, I will only use Samm Consulting!
