

The Fields Agency, Inc.

SAMM Consulting,

I would like to thank you for all of your help. SAMM Consulting made the process easy for me. I had no idea where to start to sell an Insurance Agency or the processes required to work with prospective buyers. SAMM Consulting was able to find me buyers who were serious about purchasing my agency and help with all of the particulars needed to work through the sale. The entire staff was great throughout the entire process. I recommend you to any seller. You assisted with the buyer, the bank and my field sales leader to make sure everything was approved. I have been an agent over 25 years and I gladly refer SAMM CONSULTING to any sellers for the sale of their business.

Sincerely,

Scott Fields
